**Section 1. Copyright**

Please circle an option below. Because it is often difficult to track down the copyright owner of a work or that person’s heirs, we recommend for ease of administration that you choose option 1 or 2.

1. I hereby make a gift of and assign to the Regents of the University of Michigan, for the use of the Bentley Historical Library, the paper described above. I assign to the Regents of the University of Michigan any copyright which I possess to the paper. I understand that even though I transfer copyright to the library, I will have full rights to publish the work as written or as revised without seeking permission of the Bentley Library. If you choose this alternative, the Bentley Library will own the copyright and will allow researchers to use the paper provided you as author are properly cited.
  
2. I hereby make a gift of and assign to the Regents of the University of Michigan, for the use of the Bentley Historical Library, the paper described above. I hereby retain copyright to my work for a period of 7 years from the date of this agreement. After seven years, I assign to the Regents of the University of Michigan any copyright which I possess to the paper. If you choose this alternative, the Bentley Library will own the copyright after a period of seven years. In the meantime, researchers will be able to quote from your paper under the fair use provisions of the copyright law.
  
3. I hereby make a gift of and assign to the Regents of the University of Michigan, for the use of the Bentley Historical Library, the paper described above. I hereby retain copyright to my work.
